FCUL Hires New Conference Director

The Florida Credit Union League announces the hiring of Julianne Talley to fill the position of Conference Director for KNOWMORE, the League's education department. Talley will be organizing off-site conferences, workshops, and the League's Annual Convention, as well as organizing the Florida Leadership Councils.

Talley, comes to the League after having spent the past five years in Sales, Events and Entertainment at Melhana, located in Thomasville, Georgia. She also was a consultant for National Reinsurance Programs during this time. Prior to working at Melhana, Talley was the Executive Director for The Florida Health Reinsurance Program for nine years. The Program mission was to assure Floridians had access and availability to affordable health insurance.

Talley has over 20 years experience in administration, management, and meeting and event planning. She also is a professional musician performing for various fund raisers, private functions, weddings, and receptions.

FCUL began the KNOWMORE educational program in 2004 to create and develop a network of learning opportunities that deliver measurable outcomes with the flexibility of styles to suit a credit union's specific needs.
